

Central Sterile Processing Technologist (T.C.)

Program Requirements

To meet the minimum requirements for consideration for acceptance to the Central Sterile Processing Technologist Technical Certificate program, students must:

1. Complete an application for Florida State College at Jacksonville with Central Sterile Processing Technologist as the Program of Study.
2. Submit official non-FSCJ transcripts to the College prior to the review deadline.

Prerequisites

The following course must be completed with a grade of C or better before the application deadline.

- BSC 2085C – Human Anatomy and Physiology I 4

Competitive Review Process

Students are ready for review upon completion of all admission criteria. The ranking rubric is included below. Please note that the admission process is highly competitive.

Students will be notified through their FSCJ Student email of their admissions status 6 weeks following the review deadline. Information concerning a student's admissions status will not be given via telephone.

Surgical Services Ranking Rubric		Max Points
A minimum GPA of 2.0 is required		20
Only a grade of 'C' or better will be considered for points.		
Course Grade	Points
