

**Daily Crime Log**

Each Campus and Center shall maintain a daily crime log listing crimes for the specific Campus or Center, and make it available to students, employees and the public upon request. The log shall only display criminal offenses. The logs must be publicly available during normal business hours. The log shall include the nature, date, time, general location of each crime and the disposition of the complaint, if known. Logs shall display the most recent 60days of crime information. Prior logs must be made available within 2 business days of a request. Students may contact any of the offices below to obtain a copy of the crime log in totality or for a specific time period.
