

The Associate in Science (A.S.) Degree in Hospitality and Tourism Management prepares students for career-oriented positions as cooks and managers in the dynamic foodservice and hospitality industries.

Program requirements are rooted in competencies developed by the American Culinary Federation Education Foundation (ACFEF) and the Accrediting Commission for Programs in Hospitality Administration (ACPHA), and emphasize a practical, hands-on application approach to understanding the foundations of culinary arts and hospitality management.

<input type="checkbox"/> Meet with your advisor each term.
<input type="checkbox"/> Fulfill the Civic Literacy requirement.
<input type="checkbox"/> Satisfy the associate in science degree graduation requirements.

Career Options

The culinary and hospitality fields are consistently among the fastest-growing industries, especially in Florida. Many employers in today's market are expressing a preference for education over experience. Nationally, the demand for graduates from programs like the Associate in Science in Hospitality and Tourism Management already surpasses the number of viable candidates.

Certification/Licensing

Graduates will be Certified as ServSafe Managers by the National Restaurant Association. Visit <http://www.servsafe.com/> for more information.

Application Procedure

Students must follow the application procedure outlined in the current College Catalog.

Important for You to Know

This academic roadmap does not include **developmental education courses** in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include **MAT 1033: Intermediate Algebra**, which, for many students, is a prerequisite course for MAC 1105.

Related Roadmaps

Embedded Technical Certificate(s)
