

## About the Program

The Associate in Science (A.S.) Degree in Aviation Maintenance Administration prepares students for employment in entry-level positions in the aviation maintenance industry.

This program requires a **minimum of 60 credit hours**. Total program hours may vary based on the student's individual academic degree plan. This program **is eligible** for financial aid.

## Program Requirements

Students must follow the program application procedure and fulfill all requirements outlined in the college catalog.

## Important for You to Know

**This academic roadmap does not include** developmental education courses in reading, writing, and/or mathematics or other prerequisite courses that you may be required to take. In addition, it does not include program graduation requirements.

## Additional Information

- ⇒ **Program Information**, including advisor contact details: <https://www.fscj.edu/2365>.
- ⇒ **Associate in Science Degree Information**, including graduation requirements: <https://catalog.fscj.edu/academics/degree-certificate-programs/associate-in-science-degrees>.
- ⇒ **\*Program Requirements**: <https://catalog.fscj.edu/programs/2365>.
- ⇒ **Math Pathways Information**: <https://catalog.fscj.edu/academics/math-pathways>.

## Sample Roadmap

This sample roadmap shows one possible pathway to program completion and may not be appropriate for all students.

Prior to enrolling in classes, please **meet with an advisor** for specific guidance about your individual academic degree plan. Some courses are offered only once per year; advising is critical for course progression.

*\*See the **program requirements** for general education and professional elective course options.*

This program includes a **Mathematical Thinking in Context math pathway**. This pathway is intended for students in the broadest range of programs of study. In this pathway, students will explore a variety of mathematical concepts utilizing multiple ways of thinking to formulate and solve problems in context.

## Articulated Credits

Course	Credits
AVM 2930 - FAA Mechanic Certification with Airframe and PowerPlant Ratings <b>or</b> AVM 2931 - Articulated Credit for Aircraft Airframe Mechanic and Aircraft PowerPlant Mechanic	25

## Term 1

Course	Credits
ENC 1101 - English Composition I <b>or</b> ENC 1101C - English Composition I Enhanced	3-4
General Education Mathematics course	3
AMH 2020 - United States History from 1877 to the Present <b>or</b> POS 2041 - American Federal Government <b>or</b> AMH 2010 - United States History to 1877	3
Professional Elective course	3

## Term 2

Course	Credits
AVM 1931 - Aviation Capstone <b>or</b> AVM 1942 - Aviation Internship	2
General Education Natural Sciences Core course	3-4
General Education Humanities Core course	3
Professional Elective course	3

## Term 3

Course	Credits
AVM 1010 - Aviation Management	3
AVM 1440 - Aviation and Airport Security	3
ASC 2870 - Aviation Safety	3
ENC 2210 - Technical Report Writing	3
