

Student Club Handbook

Student Life & Leadership

Revised 9.6.2024

Before printing this entire document, please note that it is not necessary to turn the entire packet in to Student Life & Leadership when chartering or re-chartering a Student Club or Organization. Only the Student Club Charter/Re-Charter Form, Student Club Constitution, Student Club Membership Roster, and Advisor Agreement is required to charter or re-charter.

For more information, please contact Student Life & Leadership at getinvolved@fscj.edu.

The Purpose of Student Club Handbook:

This handbook is meant to serve as a general guideline for the establishment of student initiated extracurricular student clubs and clubs at Florida State College at Jacksonville (FSCJ). Student Life & Leadership has the responsibility of advising student club advisors and student members in regards to their planned activities. It is the responsibility of the student clubs and organizations (henceforth only referred to as clubs in this document) to inform Student Life & Leadership of their plans. This can be done through personal contact and/or written requests.

FSCJ is governed by the District Board of Trustees. Most of the activities of a club will be directly guided by the college's Administrative Procedures Manual (APM's) and Rules of the Board of Trustees. Student Life & Leadership will assist student club advisors and officers in interpreting APM's. It is best to inquire first as it may save you time, energy, and possibly money.

Student initiated extracurricular student clubs do not include groups which exist as an established part of the college curriculum and/or competitive teams which are coached by employees who are compensated for their duties. These student clubs are required to handle their earned funds, if any, in the same manner as all student clubs (outlined in this handbook), but they are not required to charter/re-charter as they are groups that are formed by the FSCJ. These "exempt" groups include varsity athletic teams, Band, Chorale, Brain Bowl, Forensics, danceWORKS, Dramaworks, The Experience, Phi Theta Kappa, and the Student Government Association.

Role of Student Life & Leadership:

The office of Student Life & Leadership shall act as a resource for all extracurricular student clubs. The Student Life & Leadership office will also serve as the location for the permanent and official club records. These records will include but not necessarily be limited to the following:

- Charter/constitution (see guidelines to charter)
- Financial Records (see club finances)
- Written record of business meeting and/or form to justify club expenditures

Club advisors and student officers should feel free to utilize the Student Life & Leadership staff to assist the club. Assistance with promotions, set-ups for events, advice on purchases, telephone use for club business, and other related activities are available upon request.

Student Life & Leadership is responsible for guiding the actions of a student clubs to ensure that the activities follow established FSCJ policies. Areas covered by specific college policies and APM's include, but are not limited to, travel, funding, and chartering.

It is imperative that the Student Life & Leadership be informed of all of the activities planned and conducted by a student club. This will assist the office in serving as the information resource for campus and community activities and also enable the office to help the club when appropriate.

Guidelines to Charter/Re-charter a Student Club:

A request to charter/re-charter a student club must be submitted to Student Life & Leadership in order to charter/re-charter a club. A new club can be chartered at any time throughout the school year. An existing club should re-charter annually by October 1st. If a club remains continuously active with no changes in advisor or Constitution, a simple email at the beginning of the new academic year may suffice as a re-charter. If a club fails to re-charter for two consecutive years (using October 1st as the deadline) then that club is considered disbanded. The earned club funds, if any, will be moved to student scholarships. Student clubs will not be allowed to utilize approved college and/or club funds and other FSCJ resources without a current charter on file.

A submitted charter/re-charter must include the following to be considered for approval:

1. Name of the student club.
2. A one-paragraph description of the purpose of the club.
3. A list of planned projects for the academic year.
4. A list of at least seven currently enrolled members with student numbers, addresses, phone numbers.
5. The name of the elected officers.
6. A signed Advisor Agreement.

The review process for a club charter follows:

1. The campus Student Life & Leadership Advisor will review the form and may request recommendations from the Student Life & Leadership, student leaders, faculty, and administrators.
2. The campus Student Life & Leadership Advisor will recommend to approve or disapprove the request.
3. If the campus Student Life & Leadership approves the request, they will recommend to the Associate Director of Student Success over Student Life & Leadership, that a charter be issued to the club.
4. Upon approval by the Associate Director of Student Success over Student Life & Leadership, a charter authorizing the existence of the club will be issued.

The Associate Director of Student Success over Student Life & Leadership will update the student club in the listing of chartered student clubs on the FSCJ website.

If the request is denied, the club or club has the right to appeal. Appeals process information is available in the Student Life & Leadership Office. All charters will be kept in the club's permanent file in the Student Life & Leadership.

Membership:

Membership in all student clubs is open to all registered students without regard to race, color, religious beliefs, national origin, sex, marital status, or disability. Active membership is limited to students currently enrolled at the FSCJ. Honorary membership can be given to alumni if this is addressed in the constitution; however, only currently registered students may be funded for college travel and ride in FSCJ vans.

Hazing:

Hazing of any form is prohibited. "Hazing" means any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any club operating under the sanction of FSCJ.

Constitution:

A constitution for a chartered club should be submitted to the Student Life & Leadership Office within 30 days from the date that the initial charter is granted to the club. The constitution will be kept in the club's permanent file. The chartered club may conduct business during the 30-day period following the approval of the initial charter. No business may be conducted after this period without a constitution on file. Student Life & Leadership will review all constitutions. The constitution will remain in effect until it is amended by the club. The constitution will become null and void if a club disbands. Clubs may use the constitution provided in this handbook or develop their own.

Appeals Process:

The club has the right to appeal if its application to form a club or club or re-charter is denied. If the club decides to appeal, the following process is provided.

1. The appeal will be made in writing to the campus Student Life & Leadership delineating the reason(s) for the appeal. This information shall be sent to the Associate Director of Student Success over Student Life & Leadership.
2. The Associate Director of Student Success over Student Life & Leadership will request the proposed club's file and a written statement from the appropriate Student Life & Leadership indicating the reason for denial and confer with the Associate Vice President of Student Success.
3. The Associate Vice President of Student Support & Engagement will recommend a course of action to Student Life & Leadership.
4. Student Life & Leadership will inform the club of the Associate Vice President's decision. The decision of the Associate Vice President of Student Support & Engagement is final.

Public Records and Saving Meeting Minutes:

- According to the Florida Public Records Law, Chapter 119, Florida Statutes, student club meeting minutes and charters are considered public record and can be requested via a public records request.
- Article 1, Section 24, Access to Public Records and Meetings (Constitution of the State of Florida) addresses public records.
 - Meeting minutes must be taken and saved per the state of Florida retention and disposition schedule (GS1-SL Item 33) for one anniversary year.
 - Contact the Records Management Program Coordinator Catherine M. Hodges at 904.632.3196 or catherine.hodges@fscj.edu for more information.
- What does this mean for student clubs? When a student club is deciding to spend from either their Activity & Service Fees or Fund 6 budget, the decision should be made during a meeting with members present (quorum is determined by the Student Club's constitution). Meeting minutes should include the date, the time, who attended, when the meeting was called to order, the outcome of the vote, and when the meeting was adjourned.
- This information from the meeting minutes will be shared on the Purchase or Travel Form in the section that requisitions Brief summary of clubs proposed expenditure (Include date of meeting/names of members).
- Meeting minutes should be shared with members at the next regularly scheduled meeting.

Club Funding and Finances:

Clubs can request college funds through the Student Life & Leadership Office and/or, with the approval of the Student Life & Leadership and the FSCJ Foundation, earn funds through dues, donations, and fundraising activities.

All funds, whether they are college (A&S Fees) or club funds (Fund 6), must be accessible to college officials for audit purposes. In order to insure this, all funds must be kept in FSCJ accounts. The creation of a student club budget can be made through Student Life & Leadership. Clubs are not permitted to open and maintain financial accounts outside of the college.

All financial transactions must follow college procedures and guidelines.

Activities & Service Fee Requests:

Activity & Service (A&S) Fees support the extracurricular learning experiences of the student body. A&S Fees funds may also be referred to as Fund 2. Funding proposals for the following academic year will occur towards the end of the spring semester. Funding will be allocated on a first-come, first-served basis. After the initial funding allocations, funding proposals may be made throughout the academic year, depending on remaining funds. Student clubs will need to reapply for funding every year. In-person funding proposals shall be made by students. Advisors should be present, but as part of the learning opportunity, proposals shall be made only by students. The written application must be completed in its entirety and submitted within the publicized timeframe and a minimum of three learning outcomes need to be included.

Club Funds:

These are funds earned by student club through approved activities, such as dues, donations, and fund-raising activities. These funds may also be referred to as Fund 6. These funds must be deposited in a student club account through the Student Life & Leadership. Clubs are prohibited from establishing and maintaining financial accounts at institutions other than the college. All disbursements of these funds must be requested through Student Life & Leadership.

Expenditures of these funds will follow normal FSCJ guidelines. Documentation and receipts are required for all deposits and expenditures.

At no time may club funds be spent without first depositing the funds in the appropriate college account. This will allow an audit trail and protect the club members, advisor, and other college personnel from personal liability.

FSCJ is strongly discourages the use of cash or checks for donations. If cash or checks are gathered by mistake, they should be deposited at the nearest Student Financial Services Office within two business days by providing the chartfield number for the club's Fund 6 account.

In order to help gather non cash or check donations, student clubs may request the creation of an online QuickPay Link or request a physical Square card Reader by contacting Student Life & Leadership. Once the FSCJ Student Financial Services receives the request from Student Life & Leadership, they will set up a QuickPay Link or provide a physical Square Reader that will accept credit and debit cards and deposit the funds into the student club's Fund 6 account. Please allow a two-week turnaround time for this request. Please see QuickPay Link Request Form and Square Reader Payment Equipment Check Form in the appendix.

Clubs that do not have a current charter on file will not be allowed to utilize college or club funds.

Establishment of Club Accounts and Disbursement Procedures

Purpose: The purpose of this procedure is to outline the process for a group at the College to request a club account for the receipt or payment of funds related to the group's purpose.

Procedure:

A. General rules

1. Student clubs must have a charter on file in order to be allowed to utilize student activity funding or to generate funds as a club.
2. Student and college affiliated employee clubs that earn funds through dues, donations and other fundraising activities may request an account at the College be maintained for their group's

purpose. FSCJ students and employees are prohibited from opening club related bank accounts at an external financial institution.

3. FSCJ strongly discourages the use of cash or checks for fund raising activities. If parties collect cash or check by mistake, that must be promptly deposited (generally two business days) through a Campus Student Financial Services Office. Deposits should be made intact. This means that small amounts should not be used to pay petty cash items prior to depositing collected funds.
4. For student clubs, all disbursement requests will be made by submitting a Purchase Request Form to Student Life and Leadership. Supporting documentation such as links to websites or phone numbers to call to make the purchase should be included with the Purchase Request Form. Student Clubs should provide Student Life & Leadership at least two weeks' notice from the date that the items are being requested. Student Life & Leadership might be able to accommodate any purchase requests submitted within the two-week window.
5. FSCJ's Finance Department reserves the right to close Agency funds and transfer the balance to the Student Scholarship Fund if:
 - a. The cash balance is \$50 or less and there is no activity for two years or
 - b. The cash balance is greater than \$50 without any activity for 3 years (This is the definition of a dormant account per Florida Statute 717).

Procedures & Policies Regarding Club Funds:

Deposits:

1. If a student club seeks to create a fund 6 account to deposit funds into, that student club must notify Student Life & Leadership in order for the account to be created. Student Life & Leadership will contact FSCJ Finance Security financesecurity@fscj.edu and copy the advisor on the email to request a fund 6 account for the student club.
2. Rather than accepting cash or checks, students clubs are strongly encouraged to request a QuickPay Link or check out a Square Card Reader from Student Financial Services.
 - a. Club Advisors can request a Square Card Reader by emailing StudentFinancialServices@fscj.edu with "**Square Device Checkout - (Your Campus or Center Name)**" in the subject line of your email so your request can be routed to the correct office. Student Financial Services will provide the a Square Reader Checkout Form that the advisor must complete along with providing their club's Fund 6 account chartfield. The club advisor will receive Square Card Reader instructions from the Student Financial Services Office.
3. Club Fund 6 deposits will be held in the club's individual Fund 6 account. Student Life & Leadership can assist with accessing the current budget balance, but clubs are encouraged to also maintain their own financial records.

Procedures for Student Travel:

All requests and documentation for student travel funds must be submitted at least 30 days in advance of the planned travel. Please note that no travel funding is guaranteed; groups are advised not to pay for any portion of a given trip (i.e. registration fees) without prior approval of the expenditure. It is strongly advised that clubs that are associated with an academic program, fund advisor travel from the academic department budget. Exceptions can be made based on the availability of Student Life & Leadership budgets. Documentation must include an agenda of the event in question, a breakdown of requested funding (including registration fees, lodging costs, meal per diem and gas/misc. needs), a travel authorization in PeopleSoft for the club's advisor, and delegate contracts/liability waivers for all students attending. The advisor must submit receipts and assist in reconciling the trip with Student Life & Leadership no later than two business days after returning from the trip. See the Student Club Travel Checklist in the Appendix.

Fresh-Food Procedures & Bake Sale Procedures:

When a student club provides free food to students or sells food to students as a fundraiser, please make sure that it is in an area that food is permitted and not in close proximity to a campus or center café unless permission has been granted by the café through Campus Operations.

Fresh-Food Procedures:

1. Make sure all foods are purchased from an approved source, not expired, and pre-assembled (example: do not buy ground beef and form patties on your own).
2. Anyone handling the food for prep or cooking must wash hands prior to service and wear gloves for duration of event (common sense, but needs to be emphasized).
3. Uncooked food must be kept cold and on ice until utilized for cooking (cooler, etc.).
4. Cooked food for distribution must be kept in closed containers (chaffing dish, etc.) keeping them warm and from exposure to insects and the elements.
5. Someone from the group hosting the event must act as a "server" and provide food directly to the students from the closed containers while wearing gloves and using tongs or other proper utensils (students receiving food should not place their hands inside the containers to access the food).
6. Make sure the location is set-up somewhere near a sink or bathroom with a sink accessible in order to allow the group hosting/cooking to wash hands when necessary (DOH requirement). It might also be a good idea to have a bottle or two of hand sanitizer out for the students to use before/after eating to aid sanitation as well, if possible.

Bake Sale Procedures:

1. Common confectionaries (cookies, candies, cakes, pastries, etc.) made at home are not permitted to be sold or given away on any campus. In order to provide foods to sell or give away, they must be purchased from a licensed food vendor. Licensed food vendors can include licensed grocery stores, restaurants, and food trucks.
2. For example, if a tray of cookies is purchased from Publix in order to be resold, the cookies must be individually bagged using food appropriate gloves. This must be done before the event starts.

3. For more information, please see the *Safety Memoranda 16-02: Food Service Regulations* in the appendix.

First Refusal Rights of Contracted Café Vendors:

All contracted café vendors should be given the first right of refusal when bringing food to give away to students in an open forum. This does not apply to student club meetings, but if a student club is going to sponsor an event that food is given away to many students, please request a “catering” quote from the contracted café vendor and follow up with the café if the student club is or is not going to use the café’s services. By giving the contracted café vendors the first right of refusal, we are honoring the terms of their contracts with FSCJ as well as continuing to foster good working relationships. For Student Life sponsored events where food ***not available via the contracted café vendor*** will be sold or given to students (i.e. barbeque cookouts, jambalaya day, etc.), the club advisor or appropriate Student Life & Leadership advisor shall contact Campus Operations for authorization to hold such an event. When written approval is received, it should be forwarded to the appropriate DCO, who will in turn provide the notification to the contracted café vendor.

Food Trucks:

For any student club that desires to bring a food truck onto campus, please keep in mind that food truck vendors need specific insurances, licenses, and permission in order to come onto campus. For more information, please refer to section that addresses Food Trucks in the *Safety Memoranda 16-02: Food Service Regulations* in the appendix.

Reserving Campus Rooms and College Facilities:

Club advisors should contact your campus or center Student Life & Leadership advisor or Campus Operations Coordinator office to reserve rooms or facilities on your campus. Events that impact other students or employees on campus (i.e. car washes, cookouts, Spring Fling, etc.) must be coordinated well in advance of the event with the Campus Operations, Maintenance, Security, and other staff as needed. A summary of dates, times, setup/breakdown needs, and security/maintenance/IT requirements must be provided in writing to all involved. Locations or dates of student club meetings or sponsored events should not be advertised until the student club has received written confirmation of the reservation from either the campus Student Life & Leadership or the Campus Operations Coordinator.

Paying Vendors with OPS Contracts

If a student club wants to pay a vendor out of either their Activities & Service (A&S) fee or Fund 6 budgets for any variety of services (e.g. a guest dance instructor, an expert to speak about civility, a photo booth vendor for a campus wide event, etc.), the vendor will need to complete an OPS contract. Please see the procedures for paying vendors with OPS Contracts in the appendix, but the main points to keep in mind are:

- Contractors are not permitted to start work until all required signatures have been obtained. So, please do not guarantee the vendor that they will be paid until the document has the following signatures:

- If below \$1,000.00: 1) Budget Admin, 2) Supervising Admin, 3) Exec. Chair/or Appropriate VP and the 4) AVP of Finance
- If \$1,000.00 and more: All signatures listed above plus: 5) Appropriate VP and 6) College President
- Please plan ahead and begin processing with the perspective vendor **at least three weeks** prior to contract start date so the appropriate signatures can be gathered and the OPS Documents be processed.
- Rather than printing the OPS contract for a traditional handwritten signature, please have the vendor sign the third page with a digital ID and email the document to your campus Student Life & Leadership staff to send on for the signatures. Attached are instructions on how to create a digital ID.
- If you do not have Adobe Reader set as your default reader and either the blank W-9 or OPS Contract Agreement document are opened with Microsoft Explorer, the fillable text fields or the digital ID feature will not be available. Please right click on the desired file and select "Open with" and choose "Adobe Reader" to open the document with Adobe Reader.

Fliers and Printed Materials

Unless there are academic requirements for membership in your student club such as a certain GPA or enrollment in a particular program of study, FSCJ club fliers and printed materials should include the tagline "**Led by Students. For All Students.**" Also, if funds are being spent to support the event advertised on the printed material, "***This event is paid for using student activity fees.**" should be included under the tagline. If your student club or organization has membership requirements, please state something along the lines of "The (club name) is open to all students that have a (GPA requirement) and are enrolled in (number of credits requirement) credits." or "The (club name) is open to all students enrolled in the (program of study name) Program.". The FSCJ Brand and Style Guide along with College logos can be found at <https://www.fscj.edu/discover/governance-administration/oiea/marketing-and-communications/fscj-brand-and-style-guide>.

Club Canvas Courses

The FSCJ Club Canvas Courses will provide a resource to store documents, hold online meetings through Big Blue Button or WebEx, have online chats, contact the membership roster, etc. Each Club Canvas Course will have handy documents such as Purchase Request Forms, the Student Club and Organization Handbook, and Student Travel Form stored in their document folder. A link to each published Club Canvas Course can be found on the FSCJ Student Club website <https://www.fscj.edu/student-services/student-life/student-life-leadership/student-organizations>. If you would like a Canvas Course for your club, student organization, or performance group, please contact Student Life & Leadership at getinvolved@fscj.edu.

Digital Badges

If your club is interested in having an [FSCJ Digital Badge](#) for the officers or members of your club or for service invested or merit that ties into an extracurricular activity, you can request the creation of a digital badge by following these steps:

1. Visit the Digital Badging Request Form found [here](#).

2. When you asked which College Issuer would be responsible for the badge, select FSCJ Student Activities.
3. A list of career marketing skills can be found in a Skills Library that is located in the middle of the following page at <https://skills.emsidata.com/>. Please separate each skill with a comma (i.e., time management, event planning, social collaboration, leadership, etc.).
4. Follow the steps in the form to request the badge.
5. A club advisor or co-advisor will need to be identified that can verify that the student requesting the digital badge accomplished the requirements to earn their badge.

For more information about digital badging for FSCJ clubs, please contact Student Life & Leadership at getinvolved@fscj.edu.

Promotion of Club Meetings and Events

If you would like for your club meetings or events to be published on the FSCJ Calendar of Events or be featured in The Happening Newsletter that is emailed to all students on Friday, please contact your campus or center Student Life & Leadership Advisor or reach out to getinvolved@fscj.edu. Please provide the following information when making the request:

1. The name of the event, which club is hosting, the date, time, and location.
2. If the event is virtual, please provide the link to join. It is strongly recommended that clubs use either their respective Canvas course or the Life @ FSCJ Canvas Course which will require attendees to use their FSCJ ID and password to join.
3. For any events that you want to feature in The Happening, please submit those events at least two weeks in advance. Anything submitted within that window is not guaranteed to make The Happening before your event.

Social Media Guidelines

FSCJ Social Media Guidelines can be found at <https://www.fscj.edu/discover/governance-administration/policies-and-procedures/social-media-procedures>. If a student club desires to have a presence on Facebook, they should create a Facebook Group rather than a Facebook page. Please see the instructions on how to create a group in the appendix. For any social media sites created, please add Jill Johnson, Johnsonjillk@gmail.com, Chief Communications Officer to the site as an administrator. There are many FSCJ social media accounts that are no longer utilized as the students have moved on and never took down the site. To ensure that social media sites associated with FSCJ are kept current, please include Jill Johnson as an administrator so that College personnel are still able to review or take down a site if it becomes inactive for over a year.

Reserving Campus Rooms and College Facilities

Club Advisors should contact your respective Student Life & Leadership Advisor or Campus Operations Coordinator to reserve rooms or facilities on your campus. Locations of student club meetings or

sponsored events should not be advertised until the student club has received confirmation of the reservation from either the campus Student Life & Leadership or Director of Campus Operations office.

Before printing this entire document, please note that it is not necessary to turn the entire packet in to Student Life & Leadership when chartering or re-chartering a Student Organization. Only the Student Club Charter/Re-Charter Form, Student Club Constitution, Student Club Membership Roster, and Advisor Agreement is required to charter or re-charter.

Safety Memoranda 16-02:

Food Service Regulations

All food service at Florida State College at Jacksonville is regulated by the Florida Department of Health in either Duval or Nassau County. Food service includes all sale and distribution of food and food products on campus, whether for sale or given away. The different ways that food may be distributed on campus are outlined below. You may be required to obtain a Temporary Event Permit for food that is not distributed directly from a licensed establishment or does not comply with the Cottage Food Industry Act.

On-Campus Licensed Vendors

The College contracts with appropriately licensed vendors to provide food service in campus cafeterias, restaurants, and vending machines. Department of Health routinely inspects such facilities to ensure they are compliant with applicable codes and regulations.

On-Campus Licensed Food Service Operated by FSCJ

The Culinary program, currently located at Downtown campus, is operated by the College and licensed to provide food service. In addition, the College operates several licensed food vendors throughout the College. Department of Health routinely inspects such facilities to ensure they are compliant with applicable codes and regulations.

Off-Campus Licensed Vendors (Including Licensed Food Trucks)

There are numerous local vendors that offer pickup, delivery, or catering of the food they prepare. The College requires that all food purchased for events be from a vendor with:

1. A valid food service license issued by a Florida regulatory agency. The vendor should be able to provide you a copy of a license issued by Department of Business and Professional Regulation, Department of Health, or Department of Agriculture and Consumer Services.
2. A satisfactory inspection from the licensing entity.
3. Liability insurance (including products) in the amount of \$1,000,000/\$2,000,000, including Worker's Compensation coverage per Florida statute. (If an off-campus vendor wishes to serve a hot buffet utilizing chaffing dishes or similar

equipment, the College must be named additional insured by written endorsement on the vendor's liability insurance)

4. Automobile insurance in the amount of \$1,000,000, if the vendor is a mobile food vendor (food truck).

In addition, food trucks hosted on campus must:

1. Maintain operation areas free of waste, combustible materials, and obstructions
2. Not cause or permit noises or odors which constitute a nuisance
3. Provide a covered trash receptacle(s)
4. Procure potable water and dispose of all waste and wastewater at their licensed disposal or commissary site

Event organizers are responsible for obtaining the appropriate documents and ensuring compliance. Documents should be maintained for 5 years following the event.

Cottage Food Act Vendors

The Cottage Industry Food Act permits certain homemade foods, primarily baked goods and confections which comply with the Act's requirements, to be sold to the public without obtaining a business license or food hygiene permit from the Florida Department of Health (DOH). Regulation of the Cottage Food Industry prohibits the sale of Cottage Food products at a licensed facility/location (which includes the College); therefore, Cottage Food products from at-home manufacturers are not permitted for sale on College property. A pamphlet outlining the requirements of the Act is available at:

<https://www.fdacs.gov/Business-Services/Food-Establishments/Cottage-Foods>

Hosting A Public Event

You may be required to obtain a Temporary Event Permit for any public event offering food on the College campus that is not distributed directly from a licensed establishment, regardless of whether the food is sold or given away. Public events include bake sales, open club meetings, advertisement and recruiting events, informational sessions, etc. Public events do not include invitation only events such as office parties, members only club meetings, etc.

Permit costs, if any, are determined by the Department of Health and will be the responsibility of the hosting organization. The application, temporary event requirements, and associated regulations can be found at:

Duval County Office/ Florida Department of Health:

Non-Permitted Campus Bake Sales

Per recommendations from the DOH in Duval County, it has been determined that Risk Management and the Safety Department of the College are able to provide approval for bake sales on College campuses (without the required Temporary Food Permit) under the following circumstances and conditions:

1. Organizations requesting authorization for a bake sale must request approval from the Safety Department, a minimum of one week before the requested date of the event. A copy of the approval request form is located at the end of this memorandum.
2. Goods for sale at the event are strictly limited to those already coming from an approved source; this means all items sold must be purchased from an existing, licensed food business (i.e., Publix, Winn-Dixie, BJ's, Costco, etc.) and cannot be made at-home by students or other third-parties.
3. Goods for sale must be re-packaged and handled appropriately, before the event itself, with the use of food-grade disposable gloves (non-powder lined) to separate individual items from their original packaging and be placed into individual wrappings or aggregate bags for sale. Non-contained food items will not be permitted for sale

Health and Safety Requirements for Hosting Non-Permitted Food Events

The distribution of prepared, pre-cooked items for campus food events is allowed without a DOH food permit. This includes events distributing pre-packed goods (chips, crackers, ice cream, sodas, etc.) as well as distribution of pre-cooked goods from a licensed, approved-source vendor (pizza, food truck, restaurant, etc.). Before bringing in goods/services from licensed, approved-source vendors, event organizers must first check with the Campus Facilities Director to ensure all contractual rights of refusal granted to the College's food contractor are upheld. Licensed, approved-source vendors should provide all required documentation (copy of purchase receipt for goods, food license, proof of insurance, and last DOH inspection report) and these documents should be kept on file for a minimum of two (2) years after the event and updated annually (if continually used) to ensure compliance with DOH standards. These food items must still be handled appropriately to

maintain proper sanitation, and the following guidelines should be followed for all such events involving the distribution of food on campus:

1. All cooked food being served must be kept in closed containers to reduce the risks of spoiling and contamination.
2. Foods requiring refrigeration must be kept on ice in a cooler until their time of need, and the temperature and ice checked frequently.
3. All people handling/preparing food must wear disposable, food-grade gloves.
4. One person should act as the server and provide food for students/guests, limiting the number of hands contacting the food.
5. Staging of the food should ensure that a bathroom or sink is accessible nearby to allow easy access for working staff and students/guests to wash their hands appropriately.
6. The organization hosting the food event should attempt to make hand sanitizer available for staff/students/guests at the point of food delivery.

Contact Information

For additional information regarding the permitting process please contact the Florida Department of Health in Duval County at 904-253-2596. For information regarding events hosted at the Nassau Center call 904-530-6800. For bake sale approvals, please complete the proper form and submit it to the College Fire and Occupational Health and Safety Specialist at safety@fscj.edu. Once accepted/rejected, the form will be signed and returned to the requesting party with a copy to the Campus Facilities Director for the hosting campus or center.

OPS Contract Procedures

The Other Professional Services (OPS) contracts are used to pay vendors. Vendors need to fill out and sign the OPS (Revised & Effective 8/1/24 version), complete an ACH and W9 form, and provide an invoice with date(s) of service and the amount of the payment. The dates and amount of payment on the invoice should match what is on the OPS contract.

OPS DEADLINES, CONTRACTOR START DATES & SIGNATURE REQUIREMENTS

If the vendor is not currently in the FSCJ finance system, the club advisor should provide them an ACH and W9 form complete. The completed forms can be turned directly in to Contact for Suppliers suppliercontact@fscj.edu or provided to Student Life & Leadership at getinvolved@fscj.edu so the vendor can be entered into the College's finance system.

Please be advised the vendor that they **cannot** officially begin work until the OPS has been approved by the Associate Vice President of Student Success & Engagement, the Vice President of Student Development and Student Success.

Please begin processing with the perspective vendor **at least three weeks** prior to contract start date so the appropriate signatures can be gathered and the OPS Documents can arrive in the Finance Department for signature routing at least **one week** prior to the contract start date.

Vendor should provide an invoice on date of service. This invoice is matched with the already completed and signed OPS contract. Please provide these documents to Student Life & Leadership at getinvolved@fscj.edu so a voucher for payment can be processed.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exempt payee code.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

F—A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any state

G—A real estate investment trust

K—A broker

L—A trust exempt from tax under section 664 or described in section 4947(a)(1)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
